

# I AM GRATEFUL FOR ASPARAGUS

(because spelled backward it's SUGARAPSA)

I am grateful for **YOGI BERRA** because love is the most important thing in the world but baseball is pretty good too

I am grateful for **BUTTERCUPS** because where would we keep the butter?

I am grateful for **COFFEE** because it's the only thing I can cook

I am grateful that **PUPPIES** grow up to be **dogs** because have you ever tried to clean up **hippopotamus** poop?

I am grateful for the **GROUND** because otherwise we would just float around and how would we **roller skate** and stuff?

I am grateful that eating **CHOCOLATE** does not turn you into a weevil

I am grateful for the Hale-Bopp Comet because it's fun to say **HALE-BOPP**. Hale-Bopp Hale-Bopp

I am grateful that I don't have to fetch water from the **CREEK** because the creek is like 4 miles away and smells like my big brother's **gym socks**

I am grateful that my parents did not say **NO MORE KIDS** after they had my brother because most people would have

## BUT

MOSTLY I AM GRATEFUL FOR...

**YOU!**

Here, I brought  
you some flowers
